Robert Relups Duda

The academic orthopedagogue and musictherapist learned different instruments since his childhood with a main focus on drums. Since more than 10 years he also works as producer and solo artist known as „Relups“, as well with „Okma&Relups“ (Audiolith rec.) and does remixes and film scores. After several albums with side-projects and 4 solo albums, he is working on his electro-acoustic and a singer-songwriter project.
